## Stock Minerals - Premium

Ideal for finishing or show stock. The PN Premium Blend offers extra nutrients that may assist weight gain and finishing coats.

### PN Premium Stock Minerals have the benefits of Extra Nutrients. (Amino Acids, Vitamins and Omega 3, 6, 9)

PN Stock Minerals are a broad spectrum of dry powder minerals and nutrients that have been researched, developed and improved over the last 25 years. The ingredients in the PN Stock Minerals have been chosen for their unique combination of organic mineral compounds and the availability to deliver instant bioavailable nutrients.

Minerals in this product have been extracted and derived from sea plants, kelp, age old healing plants and herbs, dolomite, bentonite, diatomite, MSM sulphur and more.

PN stock minerals may assist your stock with:

- |   |                                     |
